

S5 Live Search

Written by Administrator

Saturday, 12 March 2011 01:33 -

The S5 Live Search module is demo'd at the top of this page and can be used on any Joomla template.

Allow your users to search quickly and without loading or refreshing pages with this AJAX search module! This month you can choose to either show or hide the button and the formatting will automatically adjust. Simply publish the module to the 'search' position.

I like what I see! I want to [**JOIN TODAY**](#) .
