

## November PhpBB3 Style - Game Crusade

{social\_icons}

Looking for the ultimate gaming site? Look no further, November's PhpBB3's Style, Game Crusade, is 100% transparent at it's core and is just what your site is needing! This style comes packed with lots of great features! Choose between a fading or non-fading background. You can rotate up to six images in the site's background or completely disable this feature. Choose between a fixed or fluid background image as well. With amazing collapsible module block code positions and custom page and columns widths you will never run out of space for your content!
