

Club Member Bonuses

{social_icons}

We are happy to publish a new member bonus page that gives all club members coupons and discounts on some top Joomla extensions and services! Currently the page is offering discounts on up to 11 different sites in the Joomla community. These discounts will come and go as they expire and we receive new ones so keep this in mind. Don't delay on purchasing that extension you've been thinking about and keep checking back every so often for new discounts! We hope this just adds that much more benefit to your Shape 5 club membership, enjoy!
