What do website templates and needy orphans have in common? Simple, you! This week we are very excited to launch the "Give Back Sale"! Proceeds of this sale will be sent to 58ten, a non-profit organization. 58ten provides aid to an orphanage in Kenya, Africa to approximately 150 children, and hopefully more someday soon! It's our way of giving back and making an impact in the lives of those much less fortunate than most of us. The purpose of this sale is to bring awareness to the needs of 58ten, and to raise as much money as possible for the children of this orphanage. The money raised during this sale will go towards specific needs such as construction materials, food, bedding, medical care, education, clothing, and more! The funds will be used at the discretion of the 58ten management team.

Why did Shape5 pick 58ten?

One of the founders of 58ten is a close friend of the owners of Shape5, Mike and Jonah. Because of this close friendship the needs of this organization are close to our own hearts, and we would like to do our part to make this need known to all. We are confident that the money raised during this sale will be used in the most beneficial ways possible by 58ten.

Can I donate to this organization without purchasing a membership?

Yes, of course you can, and any donations they receive would be greatly appreciated! You can donate directly through the following link:
