

## Free Tickets For JoomlaDay France

Calling all Joomla users from France, we have donated to JoomlaDay France this year and for doing this we have been given two free tickets to attend the event. We are not from that area of the world, so we would like to pass these along to anyone who is interested in going and is able. It will be held in Paris on May 23rd and 24th, 2014. Visit their website for more information <http://www.joomladay.fr/>

We'll keep this simple, just state what you like best about Shape5 or one of our products in the comments section below or on our Facebook wall, and we'll pick the winners shortly. Thank you!
