

Weekend Updates: 10 Joomla Templates Updated for Joomla 3.9.0

This weekend, we are releasing updates for 10 Joomla templates for Joomla 3.9 compatibility and bug fixes.

Please check the changelog below:

Here is the list of the 10 templates getting updated in this batch.

- Outdoor Life
- Legal Lawyer
- Arthur
- Store Pro
- Emma and Mason
- Regan Tech
- Big Business
- Health Guide
- Amazed Photography
- Business Line

S5 Outdoor Life - Version 1.0.2

Outdoor Life is an outdoor enthusiast Joomla template, and can easily be adapted for many other website types. One of the most noticeable features of this design is the video header area. Publish any short clip video to this area that you would like and amaze your website viewers

- Realign Remember me check box on Login form
- [3.9]: Got css error when create a module type Articles-Newsflash
- [3.9] Got css error and cant show new button on category list page

S5 Legal Lawyer - Version 1.0.2

The Legal Lawyer responsive Joomla template is the all in one solution for any lawyer website. The design has more than enough features for a lawyer site such as the S5 Masonry module and the S5 MailChimp module. We've included these so that the template can be used for a variety of business style websites outside of strictly the lawyer type.

- Realign Remember me check box on Login form
- Got css error on Search page
- Restyle Print popup
- [3.9] Got css error and cant show new button on category list page
- [3.9] Got css error when Create Articles - Category module
- Submenu should be highlighted when it's activating
- [3.9]: Got error page when loading module id in the article
- Restyle for homepage
