This weekend, we are updating 5 Joomla templates quickstart packages for latest Joomla 3.9.6 compatibility. All new quickstart packages will fully support latest Joomla with all sample data.

Here is the list of the 5 templates getting updated in this batch.

- S5 Store Pro
- S5 Emma and Mason
- S5 Regan Tech
- S5 Big Business
- S5 Health Guide

S5 Store Pro

The Store Pro responsive Joomla ecommerce template makes a powerful solution for any ecommerce style website. The template is demo'd with the VirtueMart component and additional styling was added to match the design. We've added the "categories" button for easy access to any store menu you publish there. We've demo'd the template with VirtueMart but any menu can be published there including a default Joomla one. We've also included the countdown timer again perfect for any sales or promotions you may have to display.
