

## Weekend updates: 45 Joomla templates updated for Joomla 3.9.11

This week, we updated Shape5 Chairty Joomla template for bug fixes and updated 44 Joomla templates for latest Joomla 3.9.11 compatibility. All new quickstart packages will fully support latest Joomla with all sample data.

### S5 Charity Template

Our Charity Joomla Template is designed for any charity, or non-profit organization website. Large pictures, clear call to actions for donations, ways to showcase project goals, and the ability to advertise recent events, make Charity the perfect fit for your charity organization.
